An Evening with Dom Pérignon

Welcome to an extraordinary celebration of Champagne, culinary artistry, and the romance of the season. As Winter Village transforms into an intimate Valentine's retreat, the Clicquot Chalet sets the stage for an evening devoted to the exceptional craftsmanship and timeless legacy of Dom Pérignon.

Tonight's five-course experience has been thoughtfully designed to complement a distinguished collection of Dom Pérignon Champagnes, including the remarkable Plénitude 2, a rare expression of the House's pursuit of harmony, depth, and complexity.

As the evening unfolds, we invite you to savor each pairing, appreciate the artistry behind every pour, and enjoy the company of those gathered around your table. Your experience concludes with Hennessy X.O, a fitting final expression of an evening dedicated to life's most memorable moments.

À l'amour, à la vie — to love and to life.
